

## Our Purpose

The Dignity of Life Committee fosters awareness and action for those in need within our parish, in the greater community, and the world. There are six areas in which the Dignity of Life Committee focuses.

**Respect Life:** The unborn, including the care and protection of all from womb to tomb.

**Local Issues:** Charitable giving for the needs of local and state communities.

**Global Issues:** Charitable giving and offering goods and services for the global needs of our world.

**Edge of Life:** Issues concerning the care, protection and rights of the elderly, those in jails and prisons, and those most vulnerable in our community.

**Environmental Life:** Care of earth and all creation focusing on issues such as pollution and the use of our resources.

**Social Teaching:** Human rights, love for society and the common good, justice and faithful citizenship.

## Activities & Responsibilities

- Christmas Sponsorship for Neopit and Keshena
- Back-to-school Store
- N.E.W. Shelter Meal
- St. Pat's Pantry Reverse Collection
- Prayers for Pro-life Issues
- Summer/fall Produce Exchange
- Hands for Haiti Mission
