## Sacristan Duties

Wash and iron corporals and purificators. Please do not use bleach. A good detergent and/or Oxyclean works well to remove lipstick and wine stains.

Corporals should be starched. Both Corporal and Purificator folding directions are included below. If in doubt, check the top drawer next to the sink in the Sacristy for examples of how they are folded.

Wash dish towels, small white terry towels and dishcloths. Those marked SAC are stored in the top drawer along with the purificators, corporals and small white terrycloth towels.

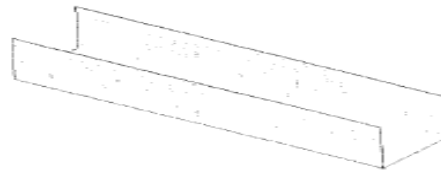

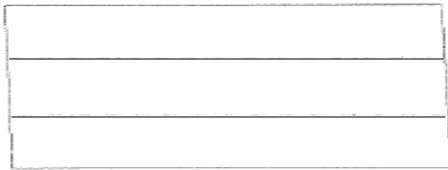

If you are unable to perform your scheduled duties, please call someone else on the list to switch with you. All phone numbers for sacristans are included with the schedule.

If you have any questions, please feel free to contact Sr. Marla Clercx at [mclercx@seasgb.org](mailto:mclercx@seasgb.org) or call 499-1546.

\*The Sacristan schedule is posted on the bulletin board in the sacristy for reference.
